Chapter 1: The lost Soldiers

"Where...where am I"?

"Hey, hey wake up...come on get up!"?

"Huh, who's there"?

"Come on Candy get up"?

"What...what happened?" Candy

"Come on we need to move...now!"?

A loud crackling noise rings through the air as the two slowly move forward...

"What the..." Candy

Candy looks around and notices several bodies running around them he turns to the person pulling him...he can't tell who it is but he recognizes them...Bullets fly at them as they continue forward...more crackling around the two when suddenly the floor beneath them falls...the two fall down a long and dark hole eventually landing in some water like substance...Candy slowly fell asleep again as they float in the water...

"Wake up come on you'll drown come on please wake up!"?

"..." Candy

"Come on please!"?

Candy's head falls under the water then bounces back up coughing and looks to the person who spoke to him.

"Candy are you okay?"?

"Uh...Sparky...where are we?" Candy

"Not sure but we fell pretty far...can you swim?"
Sparky

"Yeah...have you seen any covenant?" Candy

"No...They probably think we're dead..." Sparky

"Do you see any way out of this water?" Candy

"Yeah over there it looks like a plot of land..."

"Okay...let's go" Candy

The two swim over to the small beach and look over to a forest...Candy lies on the beach and turns to Sparky he lays with his hand on his hip and his head resting on the other...Sparky looks over to him and chuckles at this thought he had; When a sudden spark comes from within Sparky's helmet. A screen comes on and appears in front of him...A UNSC soldier comes on the screen...

"Sparky-do-you-read" The voice says with a little static.

Sparky clicks on his helmet and answers the signal

"Yeah I'm here how is everything going for the others..."
Sparky

"They-didn't-make-it" The soldier says

"What...what do you mean?" Sparky

Candy looks up to him and gets off the beach...He looks at Sparky trying to hear what the soldier on the screen is saying

"The-Covenant-won" The Soldier says

"No, no but we had Spartans there" Sparky

"Listen-where-are-you" The soldier says

"Me and Candy are in some underground grotto"
Sparky

"We-have-a-mission-for-you-head-out-of-the-grotto-and-follow-these-coordinates-we-need-you-to-get-supplies-and-bring-them-to-these-coordinates-hurry-before-the-covenant-find-you-survivors-need-the-supplies-now-hurry" The soldier

The two coordinates popped up onto the screen and were sent to Sparky's small receiver which worked like a note pad. The screen turns blank and the two soldiers are again alone in the grotto.

"Well..." Candy

"Come on we have some climbing to do" Sparky says as he and Candy walk through the grotto.
